MEMORANDUM FOR THE RECORD

29 January 1951

SUBJECT: Real Estate Contact

25X1A

1. On 26 January 1951 I contacted a [] one of the two real estate agents in [] regarding the possibility of acquiring approximately 400 to 500 acres in that vicinity to effect dispersal.

[]

25X1A

3. [] advised that he had no listings whatsoever on large acreage in that particular area. Most of the large tracts of land were being very successfully farmed and the owners were not particularly interested in disposing of their property. As a matter of fact they are all holding their land with a view of obtaining higher prices if and when dispersal of the Government becomes a reality.
